## No Change of Scholarship Application Deadline!

### Application Deadline Date Remains: March 15, 2024

The Hauss-Helms Foundation, Inc. (“HHF”) is aware of changes and implementation issues regarding the 2024-2025 Free Application for Federal Student Aid (“FAFSA”) process. To address concerns about these FAFSA issues, the HHF will keep its Application deadline at the current deadline of **MARCH 15, 2024**, with the slight modifications outlined herein.

### Application Rule Modifications:

This year the HHF will permit the following Application modifications:

1. **The standard HHF Grant Application MUST STILL BE RECEIVED ON OR BEFORE MARCH 15, 2024.** This includes the completed Application Form, the High School Transcript if applicable, college cumulative GPA documentation if applicable, letters of reference if applicable, and parental signatures.
2. This year the HHF will accept the Page 1 summary, or an email an applicant receives from FAFSA containing an applicant’s Student Aid Index (“SAI”). If an applicant has the official FAFSA page 1 summary or email with the SAI on or before March 15, 2024, that information should be submitted by the regular March 15, 2024 Application deadline.
3. **If HHF applicants submit all of their other Application materials by the March 15, 2024 deadline as stated above, and if they do not have the FAFSA SAI by March 15, 2024, applicants will have until April 15, 2024, to provide solely the SAI information.**
4. **The Application deadline is NOT EXTENDED for the core Application documentation, only the FAFSA SAI information if it is not available, and the deadline is extended until April 15, 2024, for the FAFSA SAI information only.**
